The recalled packaged products have been available for sale in Woolworths, Coles and some independent supermarkets

PROBLEM: The recall is due to detection of salmonella.

FOOD SAFETY HAZARD: Salmonella is a form of gastroenteritis caused by the germ (bacterium) Salmonella and can affect anyone.

The most common symptoms include: diarrhoea, fever, headache, stomach cramps; nausea, vomiting and dehydration, especially among infants and the elderly.

WHAT TO DO: These products should not be eaten. Any consumers concerned about their health should seek medical advice. Customers should return the products to the place of purchase for a full cash refund.
