

Product Safety Recall

Do you own this product?

90 qt Flip & Tow rolling cooler

- affected products were manufactured prior to 29 December 2023
- products have a manufacturing date code imprinted on the bottom of the cooler
- affected model numbers: 34818, 34527, 34841, 34692 and 49870

Dates sold: 1 August 2019 – 2 April 2025

Why the product is recalled: The tow handle on affected products can pinch consumer's fingers.

Hazard: Risk of serious injury from amputation or crushing of fingers if the handle pinches a consumer's fingers. Injuries have occurred as a result of this hazard.

1. Stop using affected coolers immediately.
2. Visit www.igloo90qtrecall.expertinquiry.com to register for a free handle replacement kit.
3. The kit will provide all of the needed instructions on how to complete the handle replacement.
