

# Product Safety Recall

## **331363 Easi-Listener CD Player with international travel adapter**

This six port CD player allows groups of children to listen to music without interruption

Sold by Educational Experience from February 2010 – December 2012.

**DEFECT** CD Player was sold with an unapproved international travel adapter.

**HAZARD** The international travel adapter does not meet Australian Standards and users may receive an electrical shock in certain situations.

**WHAT TO DO** Customers should immediately stop using the international travel adapter and contact Educational Experience to obtain an electrical cord with Australian plug at no cost.

**CONTACT DETAILS** You can contact Educational Experience by phoning **1300 134 211** between 9am and 5pm AEST weekdays or by sending an email to: [hotline@edex.com.au](mailto:hotline@edex.com.au)
