

ELECTRICAL SAFETY RECALL

Shriro Australia PTY LTD
Model No: ZZU1001-100095-2N, DP30-10095-2N, ZZU1001-100090-2N
TYPE: AD95 and AD5

9.5V and 9V DC Adaptors used in conjunction with Casio Electronic Musical Keyboards.

IDENTIFICATION: Adaptors are identifiable by the 4 digit manufacturing date on the bottom right hand corner of the label. The effected date range is 1601 → 1612. Adaptors outside of this date range are not affected.

DEFECT: In some cases the housing can split apart causing exposure of electrical components.

HAZARD: Defect could potentially result in electric shock.

ACTION REQUIRED: Switch off power to the adaptor before removing the adaptor from any outlet socket. Contact Shriro Australia PTY LTD via ad95@shriro.com.au, or phone 1300 134 373 between 7am to 5pm Monday – Friday, for instruction on how to receive a free replacement adaptor.
