

Product Safety Recall

Action 3 Unit Swing Set with a Slide

Action Code S001460V (Toys R Us Model Number: 701923)

Batch Number: 2015-10-11

The Batch Number is on a silver sticker that is located on the top bar of the swing set.

Defect: Some slides from Batch 2015-10-11 may have a thin plastic top platform.

Note: Only Slides from the Batch 2015-10-11 are affected.

Dates sold: November 2015 – February 2017

It is the slide and not the swing set that is affected by this recall.

Hazard: The thin plastic top platform of the Slide may not be strong enough to last a reasonable time and may crack. The cracked/broken slides may result in injuries to the user.

What to do: Please check the batch number of the Slide – this can be found on the silver sticker on the top bar. If the Batch Number is 2015-10-11, please contact Action Sports Equipment Service Centre on 1800 465 070 for a free replacement Slide or a refund.

Retailers who sold this product: Toys R Us.
