

# Product Safety Recall

**Products:** Apeks Airway Complete, Airway Complete (right side), Inflator Assy (lower unit). Apeks Bladder for WTX3, WTX4, WTX6, WTX8, WTX6R.

**Defect:** Aqua Lung have been made aware of a case of a poorly retained oral inflate button that came off an Apeks WTX Inflator.

**Hazard:** If the button were to come off, the spring behind the button would also come off thereby removing the tension needed to keep the valve closed which would result of water leaking into the cell.

**What to do:** Present your WTX Inflator to an Authorised Aqua Lung / Apeks Service centre for inspection.

Find your local dealer by phoning (02) 4966 4900 or visiting [www.aquanaut.com.au](http://www.aquanaut.com.au)
