

# Product Safety Recall

**Product Description** - Avon Tyres are recalling all Avon Cobra AV72 240/50 R16 rear tyres. These tyres were produced in Great Britain during October 2009 with batch numbers 4109, 4209 and 4409. The batch numbers can be found on the sidewall just above the rim.

**Defect** - The defect is a possible separation of components due to a manufacturing irregularity. This defect could result in a possible puncture and serious injury.

**What to do** - Immediately find the dealer you purchased your tyres from and get them to replace them.

**Contact** - Owners of the affected tyres can call Pro Accessories Australia on our toll free number 1800 761 300 between 9am-5pm AEST Mon-Fri to organise a free replacement.
