

Product Safety Recall

Savage B.Mag 17WSM Bolt Action Rimfire Rifle

Identifying Features: Barrel stamp- SAVAGE B.Mag 17 Win Super Mag CALIBER

Synthetic Stock with Matte Blued Barrel (SKU 96901)
Synthetic Stock with Stainless Steel Heavy Barrel (SKU 96915)
Gray Laminate Thumbhole Stock with Stainless Steel Heavy Barrel (SKU 96972).

Defect: The bolt on some B.Mag rifles may inadvertently catch the safety button and slide it into the "fire" position.

Hazard: If the firearm is used with the safety disengaged an unintentional discharge could occur, increasing the risk of injury and death to users and bystanders.

What to do: Immediately stop using the rifle and contact NIOA for instructions and a free retrofit kit to correct the issue. Alternatively you can arrange to send your rifle bolt back to NIOA to have them fit the retrofit parts to your bolt at no cost to you.

Contact Details: For more information, please contact NIOA on 1800 017 573 (free call) Monday to Friday, 8.30am - 5.00pm or visit <https://www.nioa.com.au/latest-news/recall-notice-savage-arms-b-mag-bolt-17-wsm>
