Re: Dynamic Power Steering (DPS)

Dear ATV Owner,

What is the reason for this notice?

Bombardier Recreational Products Inc. ("BRP") has decided that a defect which relates to safety exists in certain ATV models and is conducting a voluntary safety recall. **Our records indicate that you are the owner of a potentially affected vehicle.**

What is the potential problem?

Some vehicles may have been delivered or repaired with a DPS that has cracks on its main shaft. Pieces may detach inside the DPS and may block gears resulting in a sudden limitation of the vehicle steering range. In some situation, the operator could loose control of the vehicle which could result in serious injuries or even death.

In some situation, the operator could loose control of the vehicle which could result in serious injuries or even death.

Which models are involved?

Model	Model Year	
Outlander	2010 – 2011	DPS equipped
Renegade	2010 – 2011	DPS equipped

What should you do?

Immediately stop using your vehicle, contact an authorized BRP Can-Am ATV dealer and make an appointment to have your vehicle inspected and repaired if needed. *This work will be performed at no charge to you.*

What to do if you feel this notice is an error?

This notice was mailed to you according to the most current information we have available. If you no longer own this vehicle or some information in this notice is incorrect, please contact BRP at your earliest convenience.

If you have questions, need assistance, or wish to find the nearest authorized BRP dealer:
