

# Product Safety Recall

This recall notice is issued by the Minister for Business Services and Consumers pursuant to Section 122 of the Australian Consumer Law (SA).

## **Saekodive Buoyancy Compensators Cyclone (model #9000) and Hurricane (model #9300)**

**Manufactured in 2005 and 2006, but may have  
been available for sale up to and including 2008.**

**Defect** - The plastic seal connecting the inflator/dump valve to the vest can become brittle and detach.

**Hazard** - This poses a drowning hazard if the failure occurs while underwater as the vest may fill with water and act as an anchor.

**What to do** - Consumers should immediately stop using the Saekodive buoyancy compensator and dispose of it as it may not be safe to use.

**Contact Details** - If you have any queries in relation to this recall please contact Consumer and Business Services, Product Safety Section, on (08) 8204 9147 or at [productsafety.cab@agd.sa.gov.au](mailto:productsafety.cab@agd.sa.gov.au).
