## **SAFETY RECALL NOTICE**

23<sup>rd</sup> September 2011

**RE: 2011 Evinrude® E-TEC® 200 - 300 HP outboards and Warranty Bulletin 2011-02(W)**

Dear *Evinrude® E-TEC®* Registered Owner:

**This notice is sent to you in accordance with the requirements of the Federal Boat Safety Act and other applicable laws and regulations.**

This notice is sent to you because our records indicate that you are the owner of an *Evinrude E-TEC* outboard affected by this recall. Your *Evinrude E-TEC* outboard requires an important service procedure.

### **What is the reason for this notice?**

BRP US Inc. and Bombardier Recreational Products Inc. (collectively "BRP") are conducting a safety recall on some *Evinrude E-TEC* 200 - 300 HP outboard models in the Asia Pacific region.

### **What is the problem?**

On some of the above listed outboard models, a clamp on a specific hose from the vapor separator may not be installed correctly. The outboard may experience a fuel leak with a potential for fire or explosion. If this happens, it could lead to serious injuries.

### **What should you do?**

Call an authorized *Evinrude/Johnson* dealer and make an appointment to have your dealer perform this required service procedure. This service will be performed at no charge.

**For your safety, please do not attempt to use this product until an authorized *Evinrude/Johnson* dealer has completed the necessary service.**

### **What to do if you feel this notice is in error.**

This notice was mailed to you according to the most current information we have available. Affected *Evinrude E-TEC* outboard(s) **must** be serviced. If you no longer own your *Evinrude E-TEC* outboard, kindly complete and return the enclosed reply card, so we may update our records and contact the current owner about this important safety recall.
