PRODUCT DESCRIPTION:

The 240W High Bay LED Luminaire under recall can be identified by the Model Number: FK-GK240.

This can be found on the Label Sticker on the top of the LED Luminaire.

These units were sold in Queensland through the following wholesalers and retailers – Commercial Solar Group, Haymans Electrical Toowoomba, OzLED and Auzion.

These units were sold in Western Australia through the following wholesalers and retailers – Brooks Construction and Solar Harness

Between 17 May 2012 and 1 October 2014.

HAZARD: RISK OF ELECTRIC SHOCK & POTENTIAL FIRE HAZARD

The flexible supply cord may be tied in a knot and used as an anchorage. The terminal block on the secondary of the driver may be prone to charring. The accessible metal fins on the LED luminaire may not be earthed.

ACTION REQUIRED:

Stop using the luminaire immediately by switching off the power at the socket outlet and unplug it from the socket outlet. Remove the luminaire safely and contact your supplier.
