

Electrical Safety Recall

Futuretronics.com.au Pty Ltd is undertaking a recall of all Futuretronics Travel Solution Universal USB Power Charge Kit, FUT-1999

Product - AC USB Charger with International plugs, car charger & USB cable.

Defect - If users do not engage the interlock feature correctly to secure the plug top when using the AC adaptor, the plug top could become detached from the main power supply, exposing live contacts resulting in the charging unit not being electrically safe.

Hazard - **RISK OF ELECTRIC SHOCK.** There is the risk that the AC charger may cause an electric shock if assembled incorrectly.

What to do - Consumers should immediately stop using the charger. Consumers may return the product to the place of purchase for a full refund or contact recall@futuretronics.com.au or 03 9914 2299 to arrange a suitable replacement free of charge.

Where are the products sold - Nationally between April 2010 and December 2011

Contact details - Consumers should contact recall@futuretronics.com.au or 03 9914 2299.
