

# ELECTRICAL SAFETY RECALL

## Futuretronics Universal Charger

### IDENTIFICATION:

All affected chargers were sold between 4 July 2016 and 20 February 2017 at JB Hi-Fi and JB Hi-Fi Home stores.

Barcode/APN (on packaging): 9314960014023

Model No: FUT-1222

### DEFECT:

In some circumstances, the charger may short circuit, potentially causing damage to its casing and connected devices.

### HAZARD:

Defect could potentially result in fire, electrical shock (if internal components of the charger are exposed) or serious injury.

### ACTION REQUIRED:

Consumers should immediately cease using the charger. Consumers may also return the charger to any JB Hi-Fi or JB Hi-Fi Home store for a full refund.

Customers may also contact JB Hi-Fi via [www.jbhifi.com.au/contact-us/](http://www.jbhifi.com.au/contact-us/) or by calling their local store (details of which can be found at [www.jbhifi.com.au/stores/](http://www.jbhifi.com.au/stores/)).
