

Product Safety Recall

Casa Lusso HE72Q Heated Towel Ladder

Sold at Highgrove Bathrooms July 2010 - August 2011

Defect The product is electrically unsafe as it is unearthed and therefore in contravention of the appropriate electrical mandatory standard.

Hazard If defect occurs whilst in use it can cause serious injury or death to the user by electric shock.

What to do Consumers should immediately cease use of the appliance and contact place of purchase to organise a licenced electrician to replace the product safely with a matching towel rail.

Contact Your local Highgrove Bathrooms Store or Head Office on 07 5597 4772 or go to www.highgrovebathrooms.com
