

PRODUCT SAFETY RECALL

Pigeon Silicone Pacifier "Step 2" 5 months +

In consultation with the NSW Fair Trading, Havenhall Pty Ltd is conducting a voluntary recall for Pigeon Silicone Pacifier "Step 2" 5 months +.

A concern has been identified that during laboratory testing the front portion of the teat became torn and detached when force was applied. The size of the detached part could pose a choking hazard.

The pacifiers, which can be identified by item numbers RK06C stamped on the top right rear of packet, were distributed nationally at pharmacies and baby store outlets between December 2008 and September 2009. Consumers should cease using these products immediately and return this product to the place of purchase to receive a full refund.

For further information consumers may contact Havenhall Pty Ltd directly on telephone number 02 9316 9810 during normal working hours or visit www.pigeonbaby.com.au
