

Product Safety Recall

BAKERY SUGARCRAFT

Bakery Sugarcraft Pty Ltd are conducting a voluntary consumer recall of all 2 piece Party Horns.

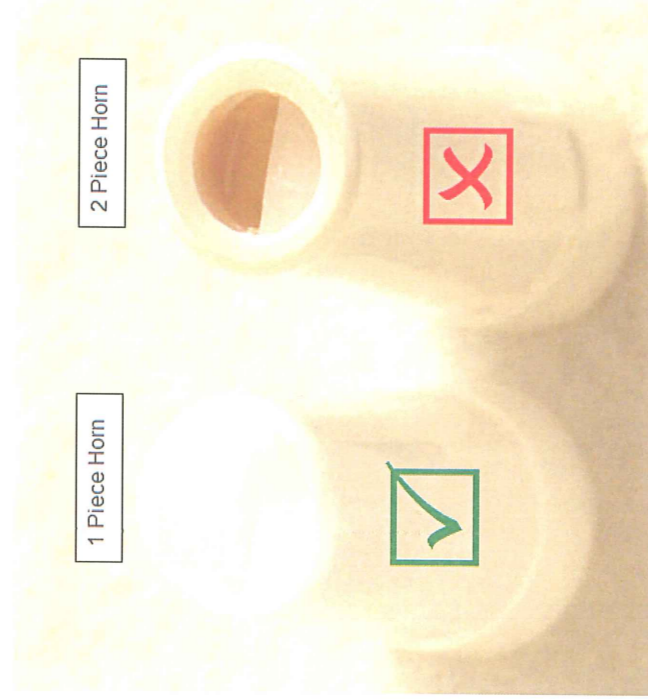

The 2 piece party horns are easily identifiable by looking inside the barrel of the mouthpiece. Party horns that contain an opaque / transparent whistle inside the mouthpiece are affected by this recall (refer photo). The whistle component of these whistles could become liberated resulting in a potential choking hazard.

If the horns are all white in colour including the whistle - these products are not affected by the recall.

Bakery Sugarcraft ask if you have any of the 2 piece horn product - would you please return it (with details of where purchased) for a full refund to:

General Manager
Bakery Sugarcraft
198 Newton Road
WETHERILL PARK NSW 2164

For further information please phone (02) 9828 0700.
