

ELECTRICAL SAFETY RECALL

Identification:

Balancing Scooter (otherwise known as "HOVERBOARDS OR SMART BALANCE BOARDS").

Model Number:

HW-N3, HW -N3-A, HW-N5, HW-N8 and HW-N10.

Where the product was sold:

Sold in December 2015 at Toy Master Australia Casula, Casula Mall, 1 Ingham Drive, Casula, in the state of New South Wales.

Defect:

The balancing scooter / hoverboard and charger may not be compatible and can cause the enclosed battery to ignite. In some circumstances the batteries and chargers are prone to cause fire and/or electrocution.

Hazard:

If the defect occurs whilst in use or charging the product can cause fire and/or electrocution causing serious injury or death to both persons or property.

What to do:

- Immediately stop using the balancing scooter/ hoverboard.
- Switch off the power at the socket outlet and unplug the product.
- Stop using the charger.
- Consumers should then contact either Toy Master Australia Casula or TCB Contracting to receive a full refund of the purchase price.

Contact Details:

You can contact Toy Master Australia Casula by phoning 0415 278 055 or TCB Contracting by phoning 04014 890 071 between the hours of Mon-Fri 9:00am – 5pm.
