

# Product Safety Recall

**K499 Prorack and K499w Whispbar Fitting Kits sold after October 2008 (for use on Holden Astra Wagon with integrated roof rails)**

**Defect:** The fitting kit for these roof rails can become loose and detach from the roof of a Holden Astra wagon.

**Hazard:** If the defect occurs, this poses a serious risk to the driver and other road users.

**What to do:** Customers should detach and cease using the roof racks immediately. Hubco Automotive Ltd will arrange for return and refund of the product.

**Contact Details:** Contact Hubco Automotive Ltd on Freephone: 1800 143 548 and ask for Rae Grey or Email: [safety@hubco.co.nz](mailto:safety@hubco.co.nz)
