

PRODUCT SAFETY RECALL

Inspire Technology is issuing a recall on a key ring style Powerbank. The units were available in 4 colours: green, blue, purple and pink. The model numbers are as below:

Juice Up 2200mAh - JU2200GRN JU2200PRP JU2200BLU JU2200

WHERE PRODUCTS WAS SOLD:

Units were sold in Big W stores in the electronics departments and also front of store locations.

HAZARD: Risk of back casing falling off after being dropped and then exposing the internal wires and battery. Inconsistent, uncertified batteries have been found in the affected batches and these batteries may overheat and, in the worst case scenario, could pose a fire hazard.

ACTION REQUIRED: Immediately stop using or charging the power bank. Please return the product back to your local Big W store for a FULL refund. For further information call about the recall call 1300 730 833 or email info@inspiretech.com.au.
