

Product Safety Recall

'Jupiter' Deluxe Play-gym Accessory

Identification: A handmade play-gym accessory made using beech wooden beads and rings, silicone beads and nylon cord. The item includes two rings tied to the bottom of the accessory (one small and one large, with the smaller ring inside the larger one).

Product was sold by www.ellecollective.com.au

Defect: The product is not compliant with the mandatory standard for toys for children 36 months and younger. The accessory's small ring fails the test for size and shape of parts

Hazard: Small parts can be a choking hazard for infants or young children.

What to do: Stop using the accessory immediately and dispose of it. Contact Elle Collective to arrange for your choice of a replacement compliant product or a full refund.
