Sold between Jun 2010 - Nov 2011

DEFECT: Product packaging may incorrectly have a silver metal cap, instead of a red child resistant cap.

HAZARD: Potential risk of child opening can and ingesting liquid, which may cause serious injury or illness.

WHAT TO DO: If you have product with silver metal cap, cease use immediately and return the product to the place of purchase for a full refund. If the product has a red child resistant cap, please refer to the Product Safety Alert for important safety instructions. Keep out of reach of children.

CONTACT DETAILS: If you require further information please contact 3M Australia Pty Limited on 1800 300 087, or via email productinfo.au@mmm.com or go to www.3M.com.au
