

Product Safety Recall

NET Homeopathic Remedies

#1, #2, #3, #4, #5, #6, #7, #8, #9, #10, #11, #12,
#20, #24 and #25

Affected products are unexpired products with expiry dates on or before 08/20

Defect: Potential microbial contamination.

Hazard: Administration of microbially contaminated homeopathic remedies could lead to increased likelihood of infection requiring medical intervention. These infections could be life-threatening in some individuals.

What to do: Consumers should stop using the products immediately and return the products to the place of purchase for a full refund.

Contact details: For further information, contact NET Australia by emailing info@netaustralia.net.au or phoning 07 4636 6000.
