As a responsible supplier of Infant Nursery products IGC Dorel Pty Ltd (ACN 124 078 762) is voluntarily recalling the change table accessory from the above mentioned portacot models.

IGC Dorel is taking this action as the straps are of a length that allows the possibility to incorrectly fasten the restraint underneath causing a strangulation hazard.

Consumers should stop using the change table accessory immediately and contact IGC Dorel on 1300 809 526 (9am to 4.30pm EST) to arrange the return of their change table accessory for modification.
