Parmalat Australia has today announced that it is recalling all 110g Tamar Valley Dairy Kids Yoghurt pouches from all major retailers across Australia. This is due to a packaging issue involving faulty green coloured caps.

Defect: It has come to our attention that upon resealing, some of the green caps are failing, resulting in a possible choking hazard.

Hazard: The centre top of the green cap may become dislodged upon re-application of the cap after initial use, and pose a choking hazard.

What to do: Consumers with the pouch products with the affected green mushroom style cap should return it to the place of purchase for a full cash refund.

Contact Details: We encourage any consumers with questions about the recall to get in touch with our consumer service team on 1800 676 961.

Parmalat is greatly concerned by any risk to its consumers. This recall is being undertaken to ensure the safety of our consumers as an ongoing commitment to maintain the highest possible standards of safety and product quality at all times.
