Maleny Dairies Pty Ltd is conducting a recall of the above products.

The recalled products have been available for sale in IGA, Coles, Woolworths, Petrol Stations and other independent retail outlets in South East QLD only.

Problem: The recall of the above products is due to the possible presence of chemical contamination.

Food safety hazard: Food products containing chemicals may cause illness if consumed.

What to do: Any consumers concerned about their health should seek medical advice and should return these products to the place of purchase for a full refund.
