

# FOOD RECALL

## BERRI PRIMA 'Tropicool Twirler' 6 x 200ml packs

**All Best Before dates from  
06 DEC 14 up to and including 20 DEC 14**

The product has been available for sale across Australia since December 2013, in grocery and convenience retail outlets.

### **Problem:**

Some consumers have reported an unusual smell and taste in the product and in some cases have experienced gastrointestinal symptoms.

### **Food Safety Hazard:**

The suspected cause is microbial contamination with a spoilage organism. The product may cause gastrointestinal symptoms such as vomiting in some consumers. Any consumers concerned about their health should seek medical advice.

### **What to do:**

Consumers should not consume the product and should return it to the place of purchase for a full refund. Alternately, please contact the LION Consumer Enquiry Centre on the number below to arrange a full refund of the purchase price.

For further information please contact the  
LION Consumer Enquiry Centre on: 1800 677 852
