

FOOD RECALL

DOLMIO® Pasta Bake Creamy Sun Dried Tomato & Garlic Sauce (540g)

Best Before 13/05/2013

The affected product has been available for purchase at **COLES**

Mars Food Australia wishes to advise its customers of a recall on the above product. The product has been sold from Coles stores across all states and territories excluding Western Australia.

Problem: The product is being recalled due to the presence of undeclared sulphites. Sulphites are not stated on the ingredients labels.

Food safety hazard: Any consumers who have a sensitivity to sulphites may have a reaction if the product is consumed.

What to do: Consumers who have a sensitivity to sulphites should not consume this product, and should return it to the place of purchase for a full refund. Consumers who do not have sensitivity to sulphites may safely consume this product.

This recall only relates to the above product with the best before date 13/05/2013. No other DOLMIO® products are affected by this recall.

If further information is required about the recall, consumers are invited to call our toll-free Consumer Services number below:
