

Product Safety Recall

LYDA jumbo cup due to burn hazard

IKEA kindly asks customers who have a LYDA jumbo cup to stop using the cup immediately and bring it back to any IKEA store for a full refund.

Defect: The cups can break when hot liquid is poured into them.

Hazard: The cups can break when hot liquid is poured into them, creating a burn hazard.

What to do? IKEA kindly asks customers who have a LYDA jumbo cup to immediately stop using the cup and bring it back to any IKEA store for full refund. The affected cups were sold between August 2012 and April 2013. No other IKEA cups are affected by this recall. IKEA does not compromise on product safety and we apologise for any inconvenience this may cause.
