

Product Safety Recall

On the advice of the NSW Office of Fair Trading, A Stillwater is conducting a voluntary recall of the Rubber Heat Water Bag. This product is being recalled due to manufacturing faults associated with the thickness of the walls and the filling aperture (opening). As a result there is concern that these products may leak, split or burst causing injury. This hot water bottle was sold at this store up until August 2009. Consumers should cease using this hot water bottle immediately and destroy or return to this store to receive a full refund.
