

Product Safety Recall

Isuzu Tow Bar Package for N Series

Part Number 92956222, 92956107, 92956225, 92956113
Sold at Isuzu Truck Dealer Network

Defect: Incorrect bolts might be used while installing the Isuzu Tow Bar Package.

Hazard: In extreme cases the tow bar could break free from the chassis of the truck causing serious injury

What to do: Consumers who bought an Isuzu Tow Bar Package for N series between the 1st of May 2016 and 24th of October 2016 should immediately contact their nearest Isuzu Truck Dealer to inspect and replace any incorrect bolts used during installation.

Contact Details: You can contact your nearest Isuzu Truck Dealer by phoning 1800 035640 (08:30-17:00 AEST Mon-Fri), via email at customercare@isuzu.net.au or go to www.isuzu.com.au
