

Product Safety Recall

Specialized Australia Pty Ltd
MY18 Specialized Allez Sport
Bicycles – Front Forks
Sold by Specialized Authorised Retailers
Between August 2017 and December 2017

Defect: Affected forks may fail due to a potential weakness in the fork crown.

Hazard: If the affected forks fail whilst the bicycle is in use it may cause a loss of control of the bicycle, posing a serious risk of injury to the rider.

What to do: Consumers should stop using the affected bikes immediately and return them to their nearest Authorised Specialized Retailer for a free installation of a new replacement fork.

Contact details: For further information call Specialized Rider Care on 1300 499 330 or online at www.specialized.com/au
