

PRODUCT SAFETY RECALL

Roomates Squishy Cushions

In the interests of public safety, Kmart is conducting a voluntary recall on the following range of Roomates Squishy Cushions, sold at Kmart stores from August 2009:

Barrel Squishee Blue/Red (APN - 9300804996242)

Barrel Squishee Pink/Lilac (APN - 9300804996259)

Barrel Dot Print Squishee (APN - 9300804996280)

Barrel Star Print Squishee (APN - 9300804996297)

Heart Squishee Pink/Lilac (APN - 9300804996266)

Heart Dot Print Squishee (APN - 9300804996273)

Kmart is voluntarily recalling these items (pictured below) as it has been identified that the outer seams of the cushions may break causing the polystyrene bead filling to spill out. This may pose a potential inhalation/ingestion hazard for children.

This is a precautionary recall and no injuries have been reported to date. Customers should cease using the cushions and return them to any Kmart store for a full refund.

Kmart apologises for any inconvenience caused by this recall.

Customers requiring further information should call 1800 124 125.

See www.recalls.gov.au for Australian Product Recall Information.
