

Product Safety Recall

Do you own this product?

Magnum X4P U Lock + cable

Magnum X4P branded bicycle U-lock and cable, with five keys.

- 90cm x 140mm
- 120cm x 100mm

Dates sold: 1 January 2023 – 30 September 2024

Why the product is recalled: The product's key does not comply with the [mandatory standards for products containing button/coin batteries](#). The button/coin batteries are not adequately secured and are accessible to young children. The product does not include the required warning information.

Hazard: There is a risk of choking, severe internal burn injuries or death to young children if they gain access to the button/coin batteries and swallow them or place them inside their body. Severe or fatal injuries can happen in 2 hours or less.

Consumers should stop using the affected key containing the button/coin battery immediately and store out of reach of children.

Consumers should return the key to the place of purchase to receive a free replacement key.

For more information, consumers should contact their local [99 Bikes store](#) or the store where they purchased the product.

Purchased from: Please see list of sellers on the [Product Safety Australia website](#).
