

Product Safety Recall

Do you own this product?

LED Flashlight Rechargeable Strobe Torch with strap - USB Cable

Moon and Back USB charging cable for LED rechargeable strobe torch with strap.

Sold through primary schools and P&Cs for Father's Day fundraising events.

Dates sold: 1 May 2023 – 1 September 2023

Why the product is recalled: The supplied USB cable for the LED Flashlight may overheat and catch fire. It is unsuitable for use in chargers with currents exceeding 1Amp (including fast chargers or high powered chargers).

Hazard: There is a risk of serious burn injuries or death if the cable overheats and catches fire while charging.

Consumers should stop using these affected cables immediately.

Consumers should return the cable to the school it was purchased from, along with their purchase details. Moon and Back will arrange a free replacement cable to collect from the school.

Consumers who have sold or pass on the product, or who are unable to return the cable for any reason, should contact Moon and Back to arrange their replacement cable

Ask our staff to find out more about the recall.
