Multiple serial numbers and sale dates. Please see [Product Safety Australia website](https://www.productsafety.gov.au) for full details.

Dates sold: 15 December 2020 – 27 May 2024

Why the product is recalled: The locking mechanism may not close properly on the brace, which may cause it to disengage and detach from the scaffold frame.

Hazard: There is a risk of serious injuries or death from falls or damage to property if the guard rail brace becomes detached from the frame.

Consumers should stop using the product immediately. Consumers should contact Oldfields directly to arrange to return the brace to Oldfields or have Oldfields collect the brace for a free repair.

For more information or to arrange collection, consumers can call the dedicated recall hotline on 1300 306 999, email hello@oldfields.com.au or visit www.oldfields.com.au/recall

Purchased from: Please see list of hirers and wholesalers on the [Product Safety Australia website](https://www.productsafety.gov.au).
