

Product Safety Recall

Do you own this product?

Kawasaki Motors Australia — Kawasaki KX450, Kawasaki KX450X

Kawasaki KX450 and KX450X competition motorcycles.

Please see list of affected VINs on the [ACCC Product Safety website](#).

Dates sold: 1 October 2024 – 31 March 2025

Why the product is recalled:

The crankshaft's primary gear may fail due to insufficient durability of the surface treatment.

Hazard: There is a risk of serious injury or death if the crankshaft gear fails and causes a crash.

What consumers should do:

1. Consumers should stop using the affected Kawasaki vehicle immediately.
2. Consumers should contact their place of purchase, or a local authorised Kawasaki motorcycle dealership to arrange repair free of charge.

For more information, please contact Kawasaki by email or your local authorised Kawasaki Dealer.
