Please see VIN list on the [Product Safety Australia website](#) for complete list of affected bikes.

Dates sold: 1 July 2022 – 27 September 2023

Why the product is recalled: The left-hand grip has an insufficient application of bonding adhesive and may become loose or fall off.

Hazard: There is a risk of serious injury if the grip handle falls off, as it may increase the risk of an accident.

Consumers should stop using the bike immediately and contact their nearest authorised Honda motorcycle dealer to arrange for the motorcycle to be inspected and repaired, free of charge.

For more information or to find your nearest Honda dealer, go to the Honda Motorcycles website:
