

# Product Safety Recall

## Do you own these products?

### PFG Australia — Deutz Fahr Tractors

Deutz-Fahr branded 95, 115 and 125 horsepower tractors.

Recalled models are:

- 5 series 5125
- Agrofarm series 115 G, 5095 and 5125.

Dates sold: 30 August 2023 – 28 December 2023

**Why the product is recalled:** The front axle swivel cap bolts may not be appropriately tightened and become loose, which may result in loss of steering control.

**Hazard:** Risk of accident resulting in serious injury or death to the operator or bystanders if the ability to steer is lost.

1. Consumers should stop using the tractor immediately.
2. Customers should contact their authorised Deutz-Fahr dealer to arrange for the bolts to be appropriately tightened.
