

# Product Safety Recall

## Halloween light-up fairy floss bucket

### Treat Me

Halloween themed bucket containing fairy floss with light-up coaster attached to bottom.

Contains 2 CR1220 lithium button batteries.

### Reason the product is recalled and hazards to consumers

The bucket does not comply with the [mandatory standards for products containing button/coin batteries](#).

The product has not been tested for compliance with the safety standards. The button/coin batteries may not adequately secure and may be accessible by young children.

The product does not include the required warning information.

Risk of choking, severe internal burn injuries or death to young children if they gain access to the button/coin batteries and swallow them or place them inside their body.

Severe or fatal injuries can happen in 2 hours or less.

### What consumers should do

Stop using the bucket and keep it out of reach of children.

Return the product to Treat Me at the below address to receive a full refund, including postage, to a nominated bank account. Email Treat Me to provide bank details once the product has been posted.
