

# Product Safety Recall

## Orbitkey x Chipolo Bluetooth Tracker

Bluetooth enabled tracker to track belongings

Sold online and by locksmiths, luggage, homeware and gift stores between 1 September 2019 and 31 October 2021

Available in colours black and stone

**Defect:** The product's button battery compartment is not adequately secured, and the button battery is accessible.

**Hazard:** If young children gain access to the button batteries and ingest them, they are likely to suffer severe internal burn injuries, which can result in serious illness or death. Button batteries also pose a choking hazard to young children.

**What to do:** Consumers should immediately stop using the product and store it in a safe place out of reach of children.

Consumers should head to <http://www.orbitkey.com.au/trackerrecall> to register their contact details and to make arrangements to return the product for a replacement product free of charge. The replacement product is expected to be available from July 2022.

**Contact Details:** For further information, please contact Orbitkey by email at [hello@orbitkey.com](mailto:hello@orbitkey.com).
