

Product Safety Recall

Do you own this product?

Yoto Limited – Yoto Mini (2021 – 2023 edition)

Small USB rechargeable powered speaker designed for use by children. Speakers work with Yoto cards and Bluetooth devices.

Affected models have serial numbers commencing 1FE-8FE.

Dates sold: November 2021 – November 2023

Why the product is recalled: The Yoto Mini contains a lithium pouch battery. While the Yoto Mini device is being charged, the internal battery may overheat and catch fire.

Hazard: There is a risk of serious injury or property damage from fire if the battery overheats while charging.

Fires with associated property damage have occurred.

Consumers should stop using the product immediately.

Consumers should order their free battery replacement kit at au.yotoplay.com/recall/brk and follow the instructions on how to perform the battery replacement.

Consumers who are not comfortable performing the battery replacement based on the instructions provided should contact Yoto Limited for alternative options to have the battery replaced.

Consumers can contact Yoto Limited by email, telephone or live chat at:

minihelp@yotoplay.com

1800 202 477 from 9:00 am to 5:00 pm Monday to Friday.

Live chat through the Yoto website available at au.yotoplay.com from 9:00 am Monday to 2:00 am Saturday.

Purchased from: Yoto website and Amazon
