

# Product Safety Recall

## Cube SL Road Bike MY2021 Flatbar 700c

**Sold nation-wide by 99 Bikes between 1 January 2021 and 7 May 2021.**

**Defect** The front brake adapter may not have been installed properly, which may cause increased wear on brake pads over time leading to insufficient braking power.

**Hazard** If this occurs while the user is riding the bicycle, then there is a risk that the brakes on this bicycle may not provide sufficient braking power and serious injury may occur.

**What to do** Consumers should stop using the bicycle immediately and contact their local 99 Bikes retailer for an inspection and adjustment if required.

**Contact details** Contact your nearest 99 Bikes store. Details on locations can be found at <http://www.99bikes.com.au/stores> or by phoning 07 3506 2777.

**See [productsafety.gov.au](http://productsafety.gov.au) for  
Australian product recall information**
