

# Product Safety Recall

SuperATV Black Ops Series Winch models WN-6000,  
60-WM-P-XPT-00, and WN-SOL-K

A remote control unit supplied with the winch.

Sold between 1 January 2017 and 31 December 2022.

**Defect:** The product does not comply with the [mandatory safety standard for products containing button/coin batteries](#). The battery compartment is not adequately secured so button batteries may be accessible.

**Hazard:** Consumers may be unaware that the product contains button batteries. If young children gain access to the button batteries and ingest them, they may suffer internal burn injuries, which can result in serious illness and even death. In addition, button batteries pose a choking hazard to young children.

**What to do:** Consumers should stop using the product immediately and store it in a safe place out of reach of children. Customers not directly contacted by Aussie Powersports should contact them to arrange return of the remote control, and to receive a refund for the remote control.

**Contact details:** For further information, contact Aussie Powersports by phone 07 4787 4554 or email [info@aussiepowersports.com.au](mailto:info@aussiepowersports.com.au)
