

Product Safety Recall

Do you own this product?

Jayco Corporation Pty Ltd – 360 Degree Camera Remote Control

Remote control for 360 degree camera fitted to selected Jayco Recreation Vehicles.

Dates sold: 26 June 2022 – 22 March 2023

Why the product is recalled: The product does not comply with the [mandatory safety standard for products containing button/coin batteries](#).

The button battery compartment is not adequately secured, and the button batteries are accessible.

Hazard: Consumers may be unaware that the product contains a button battery.

There is a risk of choking, severe internal burn injuries or death to young children if they gain access to the button batteries and ingest them.

Stop using the remote control immediately and store it in a safe place out of reach of children. Email campaigns@jayco.com.au to arrange for the provision of warning labels to be affixed to their remote control.

Check if the remote control battery compartment is secured with a captive screw. If it is not, a replacement will be arranged.

Consumers can also contact their closest Jayco authorised repairer to make a booking for the inspection and/or rectification of the affected product.

Ask our staff to find out more about the recall.
