

Product Safety Recall

Battery charger and accessories

Sold as part of a bundle with SwimPro Platinum Plus, Pro X, Wall mount, Floor, Start, Claw and Edge cameras

IDENTIFICATION:

Battery chargers (and accessories), bearing serial number SP-LS310 and having specifications input 100 – 240 V AC 50-60 Hz Output DC 12.6V 1.0A, sold as a bundle with the above SwimPro cameras are the subject of a recall. The affected products were sold online via www.swimmingcam.com.

HAZARD:

The battery charger does not comply with Australian Standards as:

- it, and the accompanying travel adapter, do not bear the necessary Regulatory Compliance Mark;
- it is not registered on the national database with details of the responsible supplier; and
- the accompanying travel adapter lacks the prescribed length of insulation on the pins.

ACTION REQUIRED:

The supplier will contact all affected customers directly with replacement parts and instructions for the return of the non-compliant parts.

CONTACT DETAILS:

Please direct all calls and any queries concerning this recall to SwimPro on info@swimmingcam.com or 02 4942 5124.
