

Product Safety Recall

Baby Bean Bags

Bubba Beanbags – Baby Bean Bags

Sold online from www.babybeanbagshop.com.au

Between 1st July 2016 – 31st December 2016

Defect The product does not meet the Consumer Goods (Bean Bags) Safety Standard 2014 as per amendment on 1 July 2016.

Hazard The bag is not fitted with a child-resistant slide fastener and may therefore allow access to the polystyrene beans, which pose a potential choking hazard to young children. The warning label also contains the incorrect information and may result in misuse.

What to do Consumers should contact the retailer by emailing info@babybeanbagshop.com.au to make arrangements to return the bean bag. The supplier will remove the toggle/puller on the internal zip and attach a current warning label on the bean bag before returning it.
