

Product Safety Recall

Compass Lensatic (Battery Operated)

L460A-B – 9326793030415

Sold by University Cooperative Bookshop Limited in Australian Geographic Stores 2012 to 2017

Defect If damaged or dropped, the battery compartment may break open, exposing the button cell battery

Hazard If young children gain access to the button battery and ingest it, they may suffer internal burn injuries, which can result in serious illness and even death. Additionally, the button battery may pose a choking hazard to young children.

What to Do Consumers should immediately stop using the product and dispose of it safely. University Cooperative Bookshop Limited has ceased trading and is now in liquidation. Please note, the business currently operating under the name Australian Geographic is a separate entity and so cannot assist consumers with this recall.
