

# Product Safety Recall

## Outdoor Bluetooth Speaker

Sold by Groupon Australia Pty Ltd

Between 19/10/2017 and 03/01/2018

**Defect:** In some cases, there is a failure of the over-charging prevention circuit in the Outdoor Bluetooth Speaker which may be due to charging with an incompatible USB charger and/or the battery quality.

**Hazard:** If the defect occurs, this poses a fire safety risk which may result in minor injury or property damage.

**What to do:** Consumers should stop using the speakers and are asked to dispose of the product immediately.
