Sold individually (568ml), and in 12 pack cartons. The best before date can be found on the top left of the label. The affected products have been available for sale in liquor outlets Australia wide.

**Problem:** The recall of the above products is due to the potential for glass contamination from weakened glass bottles.

**Food Safety Hazard:** Food products containing glass may cause injury if consumed.

**What to do:** Little Creatures advises customers not to consume these products and that they should return them to the place of purchase for a full refund.

The recall applies only to the above 568ml PINT products with the nominated best before dates. No other Little Creatures products are affected by this recall.

Little Creatures is concerned of any potential risk to its customers. This recall is being undertaken given the company's commitment to maintain the highest possible standards of customer safety and product quality at all times.
